## **PART V - NOTICES AND ORDERS**

### **1. CO's Message**

I would like to pass on how proud I am to be taking command of such a great corps as GRISLE. This is my fourth command of three different cadet corps with GRISLE by far the largest. I look forward to great things for GRILSE over the next three years made possible by the hard work and dedication of all members of the ships' company.

There are many great opportunities coming up in the next few months for nautical ADA's as well as Spring break experiences. Please see the GRISLE teams' channel for further information.

## 2. Announcements:

- a) please familiarize yourself with [www.rcscgrilse.com](http://www.rcscgrilse.com) for regular updates and notices as well as <https://www.facebook.com/201GRILSE>.
- c) Cadets are reminded that if they are seeking new uniform parts you must fill out the Stores request form and submit it to Stores. If you are waiting for new uniform parts, please be patient as our supplier is very back logged and we will issue the new uniforms as they come in.
- b) Please ensure that you have access to your Cadet365 account. Activity sign up, announcements, Monthly Routine Orders (MROs) and communications will all flow through Cadet365 and SharePoint.
- c) **Drop off and Pick up:** All cadets are required to be picked up from the Old Mill Boathouse and are not authorized for pick up from Rocky Point Park. As we enter the winter months, the daylight hours shorten and for cadet safety we want to ensure that cadets are picked up from a lit parking area and are not walking in the park alone. There have been numerous sightings of Coyotes in the area, and we always have cadets walking in pairs when going to and from our supply location.
