PART IV - NOTICES AND ORDERS

1. CO's Message

Welcome back to another great training year that we have planned for our ships company. We are excited to have so many returning cadets returning from their summer break as well as a significant intake of new entries. For our parents and cadets – all of our communication will be done via CADET 365 and our Website so please ensure that your cadet has logged in and has access to their outlook and teams accounts.

Registration for Area Directed Activities that are organized by our headquarters will done via CADET 365 so it's vital that this registration is done and that their account remains active. Troubleshooting your password can be done from the Cadet 365 webpage as there are links to follow to update your password.

We also have Marksmanship training this October, as well as a sail weekend and a sneak peak into early November has our volunteer weekend to the Royal Canadian Legion Port Moody branch for their annual Poppy Campaign on November 4 and 5 as well as Mandatory attendance to the Remembrance Day Ceremony on November 11.

Senior cadets be prepared to sign up for our Scuba Diving weekend coming up on November 18/19. More details to come in the next few weeks.

Looking Forward to a great training year. All of the officers are available if you have any question – please email us at 201sea@cadets.gc.ca.

2. Announcements:

- a) non-Medical Masks remain optional wear for all Cadets and adult staff.
- b) please familiarize yourself with www.rcsccgrielse.com for regular updates and notices as well as <https://www.facebook.com/201GRILSE>.
- c) **Drop off and Pick up:** All cadets are required to be picked up from the Old Mill Boathouse and are not authorized for pick up from Rocky Point Park. As we enter the winter months, the daylight hours shorten and for cadet safety we want to ensure that cadets are picked up from a lit parking area and are not walking in the park alone. There have been numerous sightings of Coyotes in the area and we always have cadets walking in pairs when going to and from our supply location.

3. Question of the Month (first junior cadet (MC or below) to answer this question correctly will be awarded points for their division)

Q. What year did Canada obtain its first cold-war era submarine and what was the vessels name?
